This Sunday is Easter. As Unity Truth students, we take Jesus off the cross, wrestle with our embedded notions of Jesus as the 'great exception' and explore the metaphysics of the Easter story. How does the cross and crucifixion/resurrection reflect our rising consciousness in the human experience, and how can we use the symbols and processes of Easter to experience more fully our Divine identity? As we evolve in our understanding of Jesus as a wayshower...like us, both fully human AND divine, we realize that the Easter story is not a once-in-a-lifetime event. Rather, we can look to Jesus as a model for using the Power of Love to resurrect from our own constant crucifixion experiences. As external and material circumstances constantly shift, how can we ensure they do not have the final word in terms of our well-being? What does it mean to practice resurrection daily, or even moment by moment?

Experience Holy Week in Unity by Rev. Roxanne

In Unity we teach that Easter is a glorious season of transforming consciousness, through crucifixion (crossing out that which no longer serves us) and resurrection (rising to new possibilities). Jesus, our wayshower, had

quite the spiritual journey in the last days of his physical life. You may wish to experience the two other spiritually significant "events" during Holy Week: Maundy Thursday (the Last Supper) and Good Friday (The Crucifixion). In Unity, a Maundy Thursday Service will typically involve a metaphysical holy communion. A Unity Good Friday service will likely be quite meditative as a metaphysical journey through Jesus' last hours and words. Below are links to two special Holy Week services at two large Unity Centres that I regularly follow.

Next Week, Sunday April 11, we join Unity Kitchener for Igniting a Love Affair with Life, Part 2 with Mel Horvath-Lucid

Building on the energy and exploration of having a love affair with life, we will look at the mindsets that draw us in or away from our awareness of this infinite and wonderful flow of LIFE.

THE POWER OF AFFIRMATIVE PRAYER

Embracing Affirmative Prayer

Unity teaches us that there is great strength to be found in affirmative prayer. In prayer, we know we have access to all God is, and we open ourselves to divine power and transformation. The latest Unity booklet, ***The Comfort of Prayer***, will encourage and inspire you with a greater awareness of affirmative prayer, *why* we pray, and what it can mean. Thank you for supporting our Prayer Partners' training

Last weekend, six Prayer Partners took part in the online Unity affirmative prayer training lead by Rev. Linda Martella-Witsett. All USCO's participants agree it was a life-changing experience and look forward to bringing a refreshed way of praying to the community.

We are so grateful to those of you who helped fund this wonderful training. We are still fundraising so please consider donating whatever you can.

On Tuesday, April 13, Unity Kitchener will host an orientation and training on hosting Spirit Groups. The time from 6:30 pm to the break will be spent on orientation for those who are thinking of hosting. After the break (to 9:30 pm)

will be the training for hosts and a refresher for former hosts.
