Are you responsible for everything that happens in your life? Just where does our responsibility lie? Dominion, Faith and Strength are three POWERS we use in being radically responsible.

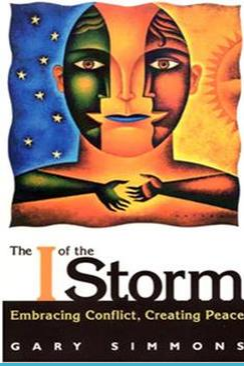

Rev. Paul Hasselbeck is a rock star in the Unity movement, widely regarded as one of the leading authorities on metaphysics. He is the author of eight books, including *Heart-centered Metaphysics: A Deeper Look at Unity Teachings*. He has also written extensively and is passionate about the 12 Powers, interpreting the original concepts of Charles Fillmore for modern readers. An ordained Unity minister, Paul continues to teach and speak around the country and internationally.
